GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO

PUBLIC STATEMENT OF THE MINISTRY OF WORKS AND TRANSPORT 2023/2024

IN COMPLIANCE WITH SECTIONS 7, 8 AND 9 OF
THE FREEDOM OF INFORMATION ACT, CHAP. 22:02

In accordance with Sections 7, 8 and 9 of the Freedom of Information Act, Chap. 22:02 (FOIA) the Ministry of Works and Transport (Ministry) is required by law to publish the following statement, which lists the documents and information generally available to the public.

The FOIA gives members of the public: -

- i. A legal right to access information held by the Ministry;
- ii. A legal right to have official information relating to himself amended where it is incomplete, incorrect or misleading;
- iii. A legal right to obtain reasons for adverse decisions made regarding an applicant's request for information under the FOIA; and
- iv. A legal right to complain to the Ombudsman and to apply to the High Court for judicial review to challenge adverse decisions made under the FOIA.

SECTION 7- STATEMENTS

Section 7(1)(a)(i)
Function and Structure of the Ministry

MISSION STATEMENT

"Through a motivated team, provide modern and reliable public infrastructure and transportation services, promoting economic development and enhancing the social well-being of the people of Trinidad and Tobago."

VISION STATEMENT

"An efficient, effective, innovative, client-oriented organization geared toward the provision of safe, high-quality infrastructure and an integrated transportation system that meet the needs of Trinidad and Tobago."

STRUCTURE OF THE MINISTRY

The Ministry is one of the larger Ministries of Government, and a major generator of employment opportunities in the country. The organization impacts directly and indirectly on all citizens of the country and continually strives to enhance the quality and timely delivery of the services, which it provides to the national community.

The Ministry's Head Office is located at No. 13 Richmond Street, Port of Spain 100623. The Ministry's District Offices are located throughout the country.

The Ministry is comprised of an administrative arm that includes the following departments/units/divisions:

- ◇ Accounts
- ◇ Central Planning
- ◇ Corporate Communications
- ◇ Facilities Management
- ◇ General Administration
- ◇ Procurement
- ◇ Human Resource Management
- ◇ Information and Communication Technology
- ◇ Internal Audit
- ◇ Legal Services
- ◇ Permanent Secretary's Secretariat
- ◇ Priority Bus Route Administration

The operational arm of the Ministry is comprised of two main elements, namely, the Works component and the Transport component.

The Works component of the Ministry is associated with those Agencies and Divisions of the Ministry engaged in the provision and maintenance of physical infrastructure relating to the road and drainage network that includes main roads, special roads, secondary roads and any other highway constructed by the Minister and dedicated by the Minister to the public use as well as major watercourses.

The Transport component is associated with those Agencies and Divisions engaged in the regulation of air, sea and land transport and includes the Statutory Boards and similar bodies.

PUBLIC STATEMENT OF THE MINISTRY OF WORKS AND TRANSPORT 2023/2024—CONTINUED

The Ministry is therefore authorised to manage:

- ◊ Roads and highways
- ◊ Traffic management
- ◊ National transportation
- ◊ Ports
- ◊ Public transportation
- ◊ Coastal erosion
- ◊ Drainage
- ◊ Bridges
- ◊ Construction

i. **UNEMPLOYMENT RELIEF PROGRAMME**

The Unemployment Relief Division (URP) is responsible for administering and managing the Unemployment Relief Programme. The URP is a social safety net programme whose core purpose is to provide short-term employment opportunities to unemployed, low-skilled and underprivileged persons by administering the Programme to address and adjust to changing social-economic needs. The Division's primary responsibility is to provide short-term employment for persons on a fortnightly basis, which enhances the skills of all the persons employed in the programme. Through this type of short-term employment, the Division delivers a service to the country's citizenry by providing and maintaining appropriate community infrastructure.

ii. **COASTAL PROTECTION UNIT**

The Ministry's Coastal Protection Unit (CoPU) was established to tackle issues of coastal erosion and flooding in Trinidad. As a small island state, our coastlines are important and require protection and maintenance. Within the CoPU, a Coastal Protection Programme has been formulated to address the most crucial aspects of coastal erosion, instability, and flooding incidents along the coastlines of Trinidad.

The core activities of the CoPU include the:

- ◊ Prevention of coastal erosion and flooding;
- ◊ Design and construction of hydraulic and coastal structures;
- ◊ Development and implementation of policies, plans, standards, regulations, rules and requirements for the prevention of coastal erosion; and
- ◊ Maintenance of sea defences.

iii. **CONSTRUCTION DIVISION**

The Construction Division is responsible for the design, planning and execution of works relating to the construction and rehabilitation of public buildings and facilities, the restoration of historical buildings and sites, and the procurement and provision of furniture, fittings and equipment for these buildings.

The Division is also responsible for providing building consultancy and advisory services to Government, and design consultancy and contract administration in the implementation of major building projects.

iv. **DRAINAGE DIVISION**

The Drainage Division is responsible for the development and maintenance of main watercourses, the provision and maintenance of irrigation systems, land reclamation and protection of lands against water, which includes coastal protection. The Division also provides advice to government agencies which implement and approve development projects.

v. **ENVIRONMENTAL HEALTH AND SAFETY UNIT**

The Environmental Health and Safety Unit was established in 1996 in order to oversee the Environmental Health and Safety Management of infrastructure projects in the Ministry. The Unit procures Certificates of Environmental Clearance and monitors projects to ensure compliance with laws and regulations.

vi. **HIGHWAYS DIVISION**

The Highways Division is responsible for the planning, design, construction, preservation, maintenance and repair of the existing road network that includes highways, main, special and secondary roads under the purview of the Minister as the Highway Authority. This responsibility also includes maintenance works such as widening and altering road levels, upgrading verges and culverts and construction and maintenance of bridges.

vii. **MAINTENANCE DIVISION**

The Maintenance Division's core function is the provision of maintenance services to government buildings and facilities towards achieving a comfortable, safe, healthy, and functional work environment in compliance with the Occupational Safety and Health Act, Chapter 88:08.

Services provided by the Maintenance Division include:

- ◊ Masonry;
- ◊ Painting/Finishing;
- ◊ Electrical;
- ◊ Refrigeration/Air Conditioning;
- ◊ Carpentry/Woodworking;
- ◊ Plumbing/Drainage; and
- ◊ Landscaping

viii. **MECHANICAL SERVICES DIVISION**

The Mechanical Services Division is responsible for repairing, servicing, maintaining and transporting vehicles, plant and equipment belonging to the Ministry and other agencies in a reliable, effective, efficient and safe manner. The Division also provides sound technical advisory services to other Government Departments and Agencies as and when required.

PUBLIC STATEMENT OF THE MINISTRY OF WORKS AND TRANSPORT 2023/2024—CONTINUED

ix. PROGRAMME FOR UPGRADING ROADS EFFICIENCY

The Programme for Upgrading Roads Efficiency Unit (PURE) is a Project Management Unit of the Highways Division in the Ministry. Driven by public demand for improved and additional road infrastructure, PURE was designed to ensure that Trinidad's road network continues to evolve into a user-oriented, safe and functional asset, through the systematic rehabilitation, upgrade and expansion of the network elements. PURE exists as an efficient and effective platform for achieving the strategic intent of the Ministry in respect of road infrastructure.

The works undertaken by PURE include:

- ◊ Road rehabilitation;
- ◊ Slope stabilization;
- ◊ Creation of alternative access routes;
- ◊ Design of traffic management measures;
- ◊ Bridge reconstruction and rehabilitation; and
- ◊ Pedestrian overpass construction.

x. BRIDGES, LANDSLIP AND TRAFFIC MANAGEMENT PROGRAMME IMPLEMENTATION UNIT

The Bridges, Landslip and Traffic Management Programme Implementation Unit (BLT PIU) is a special project unit that is attached to the Highways Division. This Unit manages:

- ◊ Bridge Reconstruction Programme;
- ◊ Landslip Repair Programme; and
- ◊ Traffic Management Programme.

The Unit provides innovative solutions for the rehabilitation and maintenance of unsafe bridges and landslips and effective traffic management measures.

xi. OFFICE OF THE CHIEF TECHNICAL OFFICER

The Chief Technical Officer (CTO) serves as an Adviser to the Permanent Secretary on all aspects of Engineering Projects. The Chief Technical Officer also has responsibilities which are defined in several Laws of the Republic of Trinidad and Tobago.

TRANSPORT COMPONENT**i. MARITIME SERVICES DIVISION**

The Maritime Services Division is the main regulatory agency in sea transport created to administer the provisions of the Shipping Act, Chap. 50:10 and other national maritime legislation. The Division's main responsibilities are to ensure the safety and security of life at sea, the safety of navigation and the protection of the marine environment from ship pollution. The Division plays a pivotal role in the development of the national maritime sector and represents the country's interest at the International Maritime Organization conferences. It also acts as the implementation, monitoring and compliance authority for most of the State's obligations in respect of international maritime conventions to which Trinidad and Tobago is a party.

ii. NATIONAL TRAFFIC MANAGEMENT CENTRE

The core function of the National Traffic Management Centre (NTMC) is to manage the National Traffic Management System. The Centre serves as a central traffic monitoring system, known as the National Traffic Management System (NTMS) and consists of the following subsystems:

- ◊ Traffic Signal Control System (TSCS) - This system allows centralized traffic signal control and monitoring at major and strategic intersections.
- ◊ Corridor Traffic Management System (CTMS) - This system involves CCTV (Closed Circuit Television) cameras, vehicle detection stations all monitored from a central management system.

SECTION 7- (1)(a)(v)

Procedure to be followed when accessing a document from the Ministry

HOW TO REQUEST INFORMATION:

- ◇ General Procedure
The policy is to respond to all requests for information both oral and written. However, in order for an applicant to exercise the rights codified by the FOIA (for example, the right to challenge a decision where a request for information is refused), the applicant must make his/her initial request in writing. The applicant ought therefore to complete the appropriate form

(Request for Access to Official Documents) which is available for download from the website www.foia.gov.tt.
- ◇ Addressing Requests
To facilitate prompt handling of a request, please address same to the Designated Officer of the Ministry. [See Section 7(1)(a)(vi) below].
- ◇ Details in the Request
Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided to enable the Ministry to properly respond to the

Applicant's request, clarification will be sought from the applicant. If the applicant is uncertain as to how his/her request should be structured or uncertain regarding the details that should be included, he/she is invited to communicate with the Designated Officer for guidance.

- ◇ Requests not handled under the FOIA
A request under the FOIA will not be processed to the extent that it asks for information either from this Ministry or from another public authority (e.g. brochures and pamphlets etc.), a document that is:
-open to public access;
-available for purchase by the public;
-available for public inspection in a registry maintained by a public authority; and
-stored for preservation or safe custody.

RESPONDING TO YOUR REQUEST

- ◇ Retrieving Documents
The Ministry is required to furnish copies of documents only when they are in its possession or when the Ministry can retrieve them from storage.
- ◇ Furnishing Documents
An applicant is entitled to copies of the information that the Ministry has in its possession, custody or power. The Ministry is required to furnish only one copy of a document. If the Ministry cannot make a legible copy of a document to be released, the Ministry may not attempt to reconstruct it. Instead, the Ministry will furnish the best copy possible and note its quality in its reply.

Please note that the Ministry is not compelled to do the following:-

- i. Create new documents; or
- ii. Perform research for the applicant.

TIME LIMITS

- ◇ General
The FOIA sets certain time limits for the Ministry to decide whether to disclose the documents you have requested. If the Ministry fails to meet the deadlines, the FOIA gives you the right to proceed as if your request has been denied. If it appears that processing your request may take longer than the statutory limit, the Ministry will acknowledge your request and advise you of its status. Since there is a possibility that requests may be incorrectly addressed or misdirected, the applicant may wish to call or write to confirm that the Ministry has received the request and to ascertain its status.
- ◇ Time Allowed
The Ministry will determine whether to grant your request for access to information as soon as practicable but no later than 30 days as required by Section 15 of the FOIA. Upon any consultation between the Applicant and the Designated Officer, time is suspended in the computation of the thirty-day period (Section 21 (7)) of the FOIA.

Fees and Refunds

The Freedom of Information (Fees and Charges) Regulations prescribe the fees related to the search, retrieval and provision of documents. The applicant is entitled to receive the document/s within seven working days of payment of the relevant fee. Should the Ministry fail to provide the information within seven working days, the applicant is entitled to a refund of the fees paid, in addition to access to the document/s requested.

SECTION 7- (1)(a)(vi)

Procedure to be followed when a request for access to documents is made to Ministry.

Officers in the Ministry are responsible for: -

- i. The initial receipt of and action upon notices under Section 10 of the FOIA;
