Specialised Sub-Units

The MSCD created the Community Recovery Unit (CRU) and the Sport for Development and Peace Unit (SDPU) as Sub-Units of the Community Development Division and Physical Education and Sport Division respectively, to customize interventions for communities defined as high risk.

The CRU focuses on identifying specific areas of need among individuals within a community and creating tailored solutions. Through its efforts, this Unit aims to build life skills competencies and establish revenue streams through vocational training, small business support, and pathways into local industry development.

The five (5) programmes under the CRU include the following:

- MpowerTT - focused on male empowerment;
- Dream Chasers Apprenticeship and Mentorship Programme (D-CAMP) - for both male and female secondary school leavers;
- The Boss Lady Project - focused on empowerment for entrepreneurship for young unemployed women;
- East Port of Spain (EPOS) Community Youth Leadership, Exploration and Development (EPOS YOUTH LEAD) – provides a platform where young citizens of Trinidad and Tobago can be supported in the areas of character development, emotional intelligence, public speaking, community empowerment, personal growth and civic
- Grow It Yourself (GIY) – is designed to encourage the youth, schools, communities and individuals to plant their own food and to become part of the local farmers market.

The SDPU rolls out the Sport for Development and Peace Programme which is a peace-building initiative to mitigate adverse issues facing communities across Trinidad and Tobago using sport. It is envisioned that upgrading community sports grounds and providing targeted funding to community groups for sports programmes will yield positive benefits for various community stakeholders. The Programme is expected to be executed nationwide, using regional corporation boundaries for the establishment of fourteen (14) regions in Trinidad and one (1) for all of Tobago.

Together, these Units execute a number of initiatives towards facilitating decent work, promoting peace and building resilience, and enabling sustainable community development, environmental management and sensitivity within communities, and in this way contributes to national development.

The policy of the Ministry of Sport and Community Development is to respond to all requests, both oral and written, for information. However, in order to give effect to the applicant's rights under the FOIA (for example the right to challenge a decision if a request for information is refused), the application must be made in writing. An applicant must, complete the appropriate form ("Request For Access To Official Document(s)") available from the Ministry's Reception Desk or from its Designated Officer, for information that is not readily available in the public domain.

• **Addressing Requests**

To facilitate the prompt handling of a request, it should be addressed to the Designated Officer at the Ministry of Sport and Community Development.

The Designated Officer is:

Ms. Ann Belmontes
Research Officer II
Ministry of Sport and Community Development
Level 8, Nicholas Tower
#63-65 Independence Square
Port-of-Spain

• **Details in the request**

An applicant should provide details that will allow for ready identification and location of the records that are being requested. • **Request not handled under the FOIA**

• Furnishing Documents

The Ministry of Sport and Community Development is required to furnish only one copy of a document. If it cannot make a legible copy of the document to be released, it will not attempt to reconstruct it, instead the best copy possible will be furnished.

• General

The FOIA sets certain time limits for a public authority to decide whether to disclose documents requested. If the Ministry fails to meet the deadlines, the FOIA gives an applicant the right to proceed as if the request has been denied. Every effort will be made to comply with the time limits, but where it appears that processing a request may take longer than the statutory limit, the Ministry will acknowledge the request and advise the applicant of its status. Since there is a possibility that requests may be incorrectly addressed or routed, an applicant may wish to call or write to confirm that the Ministry has received a request and to ascertain its status.
