Research, Strategy and Marketing

This Department oversees all aspects of TTL's planning, implementation, research, monitoring and evaluation and ensures that all aspects of the company's brand strategy (marketing, promotions, communications and destination development) resonate with current and potential visitors to Trinidad.

Investment and Business Development

The Investment and Business Development arm of the company is tasked with developing, packaging and promoting tourism investment opportunities to local and foreign investors as well as other targeted investment intermediaries. The department is required to build awareness of investment opportunities and position Trinidad in key target markets. The department also facilitates tourism investment by providing technical and other information in order for potential investors to arrive at decisions to invest in Trinidad. In accordance with the stipulations of the

Tourism Development Act, Chap. 87:22, the department also administers the application, evaluation and recommendation for fiscal incentives for tourism projects and implements the Trinidad and Tobago Tourism Accommodation Upgrade Project (TAUP).

Destination Development

This Department is accountable for identifying and seizing opportunities to make optimal use of Trinidad's tourism offerings (e.g., cultural, historical, recreational and natural attractions), assessing gaps and developing competitive visitor experiences. The Department builds relationships with tourism and travel trade partners in developing signature experiences/niche markets that can be packaged and marketed locally, regionally and overseas. It also implements quality benchmarks for the measurement and effectiveness of all niche tourism products, services, infrastructure and amenities. Ensuring that all tourism projects are achieved within time, budget, and quality specifications.

Corporate Communications and Stakeholder Relations

This Department is responsible for strategic communications leadership by driving TTL's strategic plans and

objectives in public/media relations, corporate communications, stakeholder relationship management, and overseeing TTL's reputation and image.

Corporate Services

This Department ensures the effective and efficient management of Human Resources (HR), Information and Communication Technologies (ICT), Procurement, Security, Health, Safety and Environment (HSE), Facilities Maintenance, and General Administration in accordance with the values and strategic direction of TTL.

Legal Services and Corporate Secretary

The Office of the Manager, Legal Services and Corporate Secretary provides support to the Board of Directors of TTL while safeguarding the integrity of the company's governance framework. Additionally, the office ensures that the company is in compliance with statutory and regulatory requirements and implements decisions made by the Board of Directors. Specifically, the Department:

- Provides sound legal advice to the Board and Management on all matters related to the portfolios of the company particularly in relation to contracts, interpretation of laws and regulations.
- Ensures that the company acts in a legally responsible manner to minimize the risk of litigation.
- Ensures the smooth operation of the company's formal decision-making process.

Finance Department

The Finance Department is responsible for the financial management of TTL inclusive of financial risk assessment, budget analysis and management, financial modelling and reporting, cost benefit analysis, forecasting needs, accounting, treasury operations, and investment strategies.

SECTION 7(1) (a) (iv) Documents available by way of subscription

TTL does not currently publish any documents that are available by way of subscription.

SECTION 7 (1) (a) (v) Procedure to be followed for accessing documents from the TTL, when an FOI request is made.

How to Request Information General procedure

1. All requests for access to documents that are not readily available in the public domain are to be made on the Request for Access to Official Documents Form that is available from the Designated Officer or at www.foia.gov.tt.
2. Queries for amendments to documents containing personal information about the applicant are to be directed to the Designation Officer in the form of a letter.
3. To ensure prompt handling of requests, please address requests to the Designated Officer of TTL (see Section 7(1)(a)(vii)).
4. Our general policy is to answer all requests for information, both oral and written. However, in order to access the rights given to the applicant under the Act, the applicant must make such requests for information in writing.
5. Applicants must provide sufficient information to enable ready identification by the Designated Officer of the document(s) being requested.
6. If insufficient information is provided, clarification will be sought from the applicant.
7. If the applicant is not sure how to write his/ her request or what details to include therein, communication with the Designated Officer is recommended.
8. A request under the Act will not be processed to the extent that it asks for information, which is readily available to the public, either from TTL or from another public authority or by otherwise being in the public domain, for example, by way of brochures, reports, etc.

The Government of the Republic of Trinidad and Tobago

UPDATED PUBLIC STATEMENT OF TOURISM TRINIDAD LIMITED, 2024

IN COMPLIANCE WITH SECTIONS 7, 8 and 9 OF
OF THE FREEDOM OF INFORMATION ACT, CHAP 22:02

9. Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping records before they may be destroyed e.g., the Exchequer and Audit Act Chapter 69:01.

Furnishing Documents

An applicant is entitled to copies of information TTL has in its possession, custody or power in accordance with FOIA provisions. TTL is required, subject to the FOIA, to furnish copies of official documents only when they are in our possession, or we can retrieve them from storage. TTL is required to furnish only one copy of a document. If TTL cannot make a legible copy of a document to be released, TTL may not attempt to reconstruct it. Instead, TTL will furnish the best copy possible and note its quality in our reply. Please note that TTL is not compelled to do the following:

- Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.
- Perform research for you.

Time Limits

We will determine whether to grant your request for access to information as soon as practicable but no later than thirty (30) days as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be provided with copies, or if you so request, permitted to inspect the document/s.

Every effort will be made by TTL to comply with the timeframe set out in the FOIA, but where the processing of a request unavoidably may take longer than the statutory limit, TTL will advise the applicant by letter and ask for an additional period of time to provide the information. If a decision is taken to grant access to the information requested, you will be provided with copies, or if you so request, permitted to inspect the document/s. Applicants' whose request

for documents are refused, will be notified by the Designated Officer in writing of the reasons for refusal. The Designated Officer will consult with the applicant about alternative recourses that are open to him/her.

Fees and refunds

Section 17(1) stipulates that no fee shall be charged by a public authority for the making of a request for access to an official document. However, where access to an official document is to be given in the form of printed copies, or copies in some form such as a tape, disk, film or other material, the applicant shall pay the prescribed fee incurred for duplication of the said material.
