NMAG has its roots in the Royal Victoria Institute, one of the oldest buildings in Port of Spain. The building was constructed in 1892 in commemoration of the Jubilee of Queen Victoria as part of a general British colonial policy to build cultural institutions throughout the Commonwealth.

NMAG was established to care for the material culture of Trinidad and Tobago. It is an institution in the service of society and its development. NMAG acquires, conserves, researches, interprets and exhibits, for the purpose of education and enjoyment, the material culture of the people of Trinidad and Tobago and their environment.

The Museum temporarily closed for restoration and refurbishment in August 2022. NMAG personnel, in the interim, has been relocated to the Head Office of the Ministry of Culture and Community Development, Castle Killarney and the La Brea Pitch Lake Facility. During this time, the work of NMAG will be facilitated through, *inter alia*, community outreach programmes.

It is our policy to answer all requests, both oral and written, for information. However, in order to have the rights given to you by the FOIA (for example the right to challenge a decision if your request for official documents is refused), you must make your request in writing. The applicant must therefore, complete the appropriate form (Request for Access to Official Documents which is available from the Designated Officer of the NMAG or at the website [www.foia.gov.tt](http://www.foia.gov.tt)) for public information that is not readily available to the public.

## Addressing Requests

To facilitate prompt handling of your request, please address it to the Designated Officer of the NMAG. See Section (7) (1) (a) (vi).

## Details in the Request

Applicants should provide sufficient information to enable the Designated Officer to identify the document(s) being requested. If insufficient information is provided, clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, communicate with the Designated Officer.

## Requests not handled under the FOIA

A request under the FOIA will not be processed if the information asked for is readily available to the public, being either from the NMAG or from another public authority or is otherwise within the public domain, for example, brochures, pamphlets, reports etc.

## Responding to your Request

## Retrieving Documents

NMAG is required to furnish copies of official documents only when they are in our possession or we can retrieve them from storage.

## Note

Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping records before they may be destroyed e.g. the Exchequer and Audit Act Chapter 69:01.

## Furnishing Documents

An applicant is entitled to copies of information we have in our possession, custody or power in accordance with FOIA provisions. NMAG is required to furnish only one copy of a document. If NMAG cannot make a legible copy of a document to be released, NMAG may not attempt to reconstruct it. Instead, NMAG will furnish the best copy possible and note its quality in our reply.

Please note we are not compelled to do the following:

- Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.
- Perform research for you.

## Time Limits

- 1) Applicants will be notified within thirty (30) calendar days or before whether or not the request is approved.
- 2) Applicants whose requests are incomplete or unclear will be informed of same by the Designated Officer who will make arrangements to consult with the applicant for consultation with a view to clarifying the request.

3) The time limit of thirty (30) days will be suspended while consultation with the applicant is being undertaken, and resumes on the day the applicant confirms or alters the request. Every effort will be made by NMAG to comply with the timeframe set out in the FOIA, but where the processing of a request unavoidably may take longer than the statutory limit, NMAG will advise the applicant by letter and ask for an additional period of time to provide the information.

4) If a decision is taken to grant access to the information requested, you will be provided with copies, or if you so request, permitted to inspect the document/s. Applicants' whose request for documents is refused, will be notified by the Designated Officer in writing of the reasons for refusal. The Officer will consult with the applicant about alternative recourses that are open to him/her.

## Fees and refunds
