The following procedures are to be utilised when accessing documents from the Ministry of Public Utilities, in accordance with Section 7 (1) (a) (v) of the FOI Act.

(a) General Procedure

The Ministry's policy is to respond to all requests for information, both oral and written. However, in order to exercise the rights under the FOI Act (for example, the right to challenge a decision if the request for information is refused), the applicant must make the request in writing.

The applicant must, therefore, complete the appropriate form (*Request for Access to Official Documents*), available at the Customer Service Unit and the Ministry's Library, for information that is not readily available to the public.

(b) Addressing Requests

To facilitate prompt handling of the request, it should be addressed to the Designated Officer of the Ministry (see Section 7 (1) (a) (vi)).

(c) Details in the Request

Applicants should provide details that will allow for ready identification and location of the requested records. If insufficient information is provided, clarification will be sought from the applicant. If applicants are unsure of how their request should be written or what details should be included, they should communicate with the Ministry's Designated Officer.

UPDATED PUBLIC STATEMENTS OF THE MINISTRY OF PUBLIC UTILITIES 2025—CONTINUED

(f) Furnishing Documents

An applicant is entitled to copies of information the Ministry has in its possession, custody or power. The Ministry is required to furnish only one copy of a document. If a decision is taken to grant access to the information requested, the applicant will be permitted to inspect the documents and/or be provided with copies.

Should the Ministry fail to meet this deadline, the FOI Act gives the applicant the right to proceed as though the request has been denied. The Ministry will diligently seek to comply with the time limit. If it appears that processing the request may take longer than the statutory limit, the Ministry would acknowledge the request and advise the applicant of its status.
