Telecommunications Authority of Trinidad and Tobago

Government of the Republic of Trinidad and Tobago

The 2026 Public Statement of the

TELECOMMUNICATIONS AUTHORITY OF TRINIDAD AND TOBAGO

in compliance with sections 7, 8 and 9 of the Freedom of Information Act (FOIA) 1999

In accordance with sections 7, 8 and 9 of the Freedom of Information Act (FOIA) 1999, the Telecommunications Authority of Trinidad and Tobago (the Authority) is required by law to annually update and publish the statement listing the documents and information it publishes/houses that is generally available to the public.

The Act gives members of the public a legal right for each person to:

1. access information held by the Authority.
2. have official information relating to himself/herself amended where it is incomplete, incorrect or misleading.
3. obtain reasons for adverse decisions made regarding an applicant's request for information under the FOIA.
4. complain to the Ombudsman and to apply to the High Court for judicial review to challenge adverse decisions made under the FOIA.

Section 7 Statements

Section 7 (1) (a) (i)
The Authority is a corporate body established by the Telecommunications Act, Chap. 47:31 (the Act). The Act vests the Authority with powers to:

1. create an environment for sustainable competition, investment opportunities and the orderly development of the telecommunications and broadcasting sectors.
2. ensure the efficient and effective utilisation of the national spectrum resource, and the harmonisation of related systems.
3. promote and protect the interests of the consumer.
4. promote universal access to telecommunications services.
5. operate consistently with Trinidad and Tobago's international commitments in relation to the liberalisation of the telecommunications sector.
6. regulate broadcasting services consistent with the Constitution.

In furthering these objectives, the Authority is required to engage, on a regular basis, the providers of telecommunications and broadcasting networks and services.

The Authority also has a responsibility to the users of those networks and services in relation to quality of service and network standards, consumer rights and obligations, and the handling of consumer complaints, as well as any matters ancillary to the provisions of those networks and services as they impact the public.

Furthermore, the Authority seeks to involve the public in consultations on the formulation of its policies and regulations as they apply to both public and private network service providers. This is to ensure that the policies and regulations meet and take into account the users of such networks and services, and the public at large.

Mission
To adopt a technologically progressive legal and regulatory framework enabling a highly competitive and open ICT environment promoting quality, affordability, innovation and inclusive services with a digitally intelligent public.

Vision
A transformative, future-driven regulator fostering a secure, sustainable and inclusive future with a digitally informed public.

Structure and functions of the Authority

The Board
The Authority is managed by a Board, which is appointed by the President of the Republic of Trinidad and Tobago, for the purpose of exercising and performing such duties as are conferred upon it by the Act and by any other written law.

Mr. Cris Seecheran (Chairman)
Mr. Jerome Khan (Deputy Chairman)
Mr. Mentor Baptiste (Board Member)
Mr. Suresh Boodoo (Board Member)
Mr. Dion Khan (Board Member)
Mr. Russell Romero (Board Member)
Ms. Avanti Supersad (Board Member)

22nd September 2025 to 21st September 2026
Dr. Justin Koo (Board Member)
Ms. Danielle Pounder (Board Member)

Senior Management
The Authority is structured into six divisions: Corporate Communications, Finance and Accounting, General Administration, Legal and Enforcement, Policy Planning and Economics and Technology and Engineering.

Five of the six divisions are headed by an Executive Officer, while the sixth is headed by the Deputy Chief Executive Officer. All executive positions report directly to the Chief Executive Officer (CEO).

The Executive Director/CEO
The Executive Director, also known as the CEO, is appointed pursuant to section 8 of the Act. The CEO manages the affairs of the Authority, subject to the directions of the Board, attends all meetings of the Board and takes part in its deliberations but shall have no right to vote.

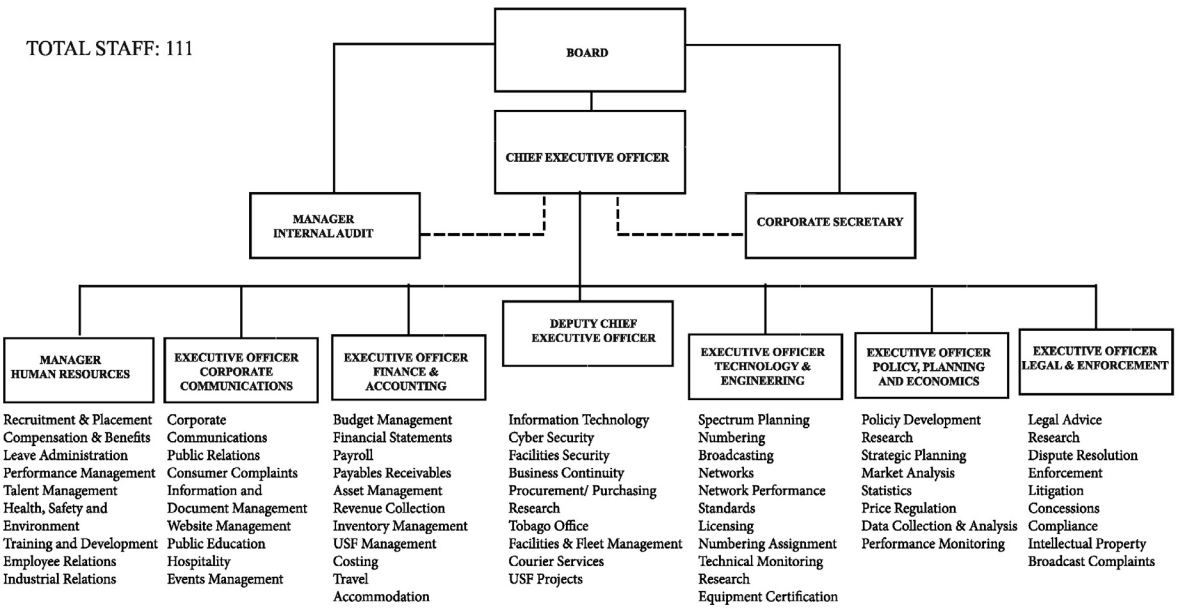

The CEO also has administrative responsibility for the Corporate Secretary and the Manager, Internal Audit.

General Administration (Office of the Deputy CEO)
The role of this division is to consolidate the enterprise-wide support services of the Information Technology, Procurement, Facilities, and Administration Departments and the Tobago Service Centre into a single division. Based on specialised knowledge, best practices and technology,

this division serves internal (and sometimes external) stakeholders and business partners. Universal Service Fund (USF) projects are also managed within this division.

Corporate Communications
This division is responsible for planning and executing internal and external communications, public education activities and matters relating to consumer affairs, as well as the management of the Authority's corporate records, website and library.

Policy Planning and Economics
This division has responsibility for policy, planning, research, data collection, pricing, costing and economic modelling.

Finance and Accounting
This division is responsible for all financial matters. This includes providing strategic advice to executives with timely and accurate oversight over accounting, finance and USF operations, as well as the design and maintenance of the financial reporting structures, including producing and managing the budget and the preparation of the financial statements of the Authority.

Legal and Enforcement
This division comprises the Legal Affairs and Compliance Departments and is responsible for all matters relating to legal and enforcement issues. This includes the provision of legal advice to the Authority, reviewing concession applications, and ensuring compliance with all applicable laws, concessions and licences. The division is also responsible for the conduct of all legal proceedings concerning the Authority.

Technology and Engineering
This division is responsible for the key business areas of licensing; spectrum planning and broadcasting (wireless functions), monitoring, and networks and standards.

Corporate Secretary
The Corporate Secretary is responsible for such matters as the Board may determine. Additionally, the Corporate Secretary is secretary of all Board committees and is secretary of both the Telecoms Resources Oversight Committee, and the Procurement Disposal and Advisory Committee of the organisation.

Internal Audit
The Internal Audit Department is responsible for providing the Board and management of the Authority with independent assurance and consulting in the areas of controls, risk management and governance processes.

Section 7 (1) (a) (iv)

Literature available by subscription
The Authority does not currently publish any documents that are available by way of subscription.

Section 7 (1) (a) (v)
The procedure to be followed when accessing a document from the Authority:

General Procedure
The Authority's policy is to answer all oral and written requests for information. However, in order to have the rights given to the public by the FOIA, the applicant must make his/her request in the following manner:

1. Obtain a copy of the form titled "Request for Access to Official Documents", available in the Authority's reception area and on the website of the Freedom of Information Unit **(http://www.foia.gov.tt)**

2. Information that **must be** provided to the Authority includes:
   a. Name of applicant (full name preferred)
   b. Contact information
   c. Information requested and format to provide the information
   d. Date of request
   e. Signature of applicant
   f. Applications should be addressed to the designated officer at the Authority (see section 7 (1) (a) (vi)).

3. The completed form may be hand delivered, mailed or emailed to the Authority at **foia@tatt.org.tt**.

Addressing requests
To facilitate the prompt handling of a request, please contact or write to the designated officer at the Authority (see section 7(1)(a)(vi)).

Details in the request
Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If the applicant is unsure how to write his/her request or what details to include, he/she should communicate with the Authority's designated officer.

Requests not handled under the FOIA
In accordance with section 12 of the FOIA, requests that will not be processed are those asking for documents that:

1. contain information which is open to public access, as part of a public register.
2. contain information that is available for purchase by the public.
3. are available for public inspection in a registry maintained by the Registrar General or other public authority.
4. are stored for preservation or safe custody.

Responding to requests

Retrieving documents
The Authority is only required to furnish copies of documents that it has in its possession or can retrieve from storage.

Prior to the FOIA, old records may have been destroyed. Granting access to such documents may therefore not be possible. Various laws, regulations and manuals give the time periods for which records may be kept before they are destroyed. (See for reference the Exchequer and Audit Act, Chap 69:01

http://rgd.legalaffairs.gov.tt/Laws2/Alphabetical_List/lawspdfs/69.01.pdf.)

Furnishing documents
An applicant is entitled to access copies of information the Authority has in its possession, custody or power. The Authority is required to furnish only one copy of a document. If the Authority cannot make a legible copy of a document to be released, it may not attempt to reconstruct it. Instead, the Authority must furnish the best copy possible and note the quality in its reply.

1475—*Continued*

2026 PUBLIC STATEMENT OF THE TELECOMMUNICATIONS AUTHORITY OF TRINIDAD AND TOBAGO—CONTINUED

Please note the Authority is not compelled to do the following:

1. Create new documents. For example, the Authority is not required to write a new program so that a computer will print information in the format preferred by the applicant.
2. Conduct research for the public.

Time limits

General
The FOIA sets a time limit of 30 calendar days from the date the request was received to notify the applicant of the approval or rejection of the request for access to documents. The Authority will acknowledge requests and advise applicants of the status of their requests and the time period in which the information will be provided. Since there is a possibility that requests may be incorrectly addressed or misdirected, applicants may call or write to confirm that the Authority has received the request and to ascertain its status.

Time allowed
The Authority will determine whether to grant requests for access to information as soon as practicable but no later than 30 days from the date the request was received, as required by section 15 of the FOIA. If a decision is taken to grant access to the information requested, applicants will be permitted to inspect the documents and/or be provided with copies.

Refusal of requests
If it is determined that the information requested cannot be disclosed, the applicant is informed of the refusal and the rights of the applicant according to the FOIA.

Section 7 (1) (a) (vi)
Officers in the Authority are responsible for:
1. the initial receipt of, and action upon, notices under section 10.
2. requests for access to documents under section 13.
3. applications for correction of personal information under section 36 of the FOIA.
