Updated Public Statement 2026 of the Environmental Management Authority, Ministry of Planning, Economic Affairs and Development in Compliance with sections 7, 8 and 9 of

The Freedom of Information Act, (the FOIA) Chap. 22:02

In accordance with Sections 7, 8 and 9 of the Freedom of Information Act Chap. 22:02 ("the FOIA"), a Public Authority is required by law to publish the following statements which list the documents and information generally available to the public.

The FOIA gives members of the public:

1. A legal right for each person to access information held by the Environmental Management Authority
2. A legal right for each person to have official information relating to him/herself amended where it is incomplete, incorrect or misleading
3. A legal right to obtain reasons for adverse decisions made regarding an applicant's request for information under the FOIA
4. A legal right to complain to the Ombudsman and to apply to the High Court for Judicial Review to challenge adverse decisions made under the FOIA

Section 7 Statements

Section 7 (1) (a) (i)
Function and Structure of the Environmental Management Authority

Mission Statement:

The Environmental Management Authority (EMA) is committed to sustainably managing the natural resources and environment by providing a transparent framework to facilitate policy and decision making in development. This will be undertaken within an approved regulatory system, utilising intensive public education and a collaborative cross-sectoral approach.

The EMA is a body corporate established on June 5th 1995 by the Environmental Management Act No. 3 of 1995. The Act was later repealed and re-enacted by the Environmental Management Act No. 3 of 2000 which is designated as Chapter 35:05.

The EMA is governed by a Board consisting of a Chairman and nine (9) Directors, all appointed by the President of the Republic of Trinidad and Tobago. The Managing Director is appointed by the Board of Directors and is also an *ex-officio* Board member. The Chairman of the Board reports to the Minister with responsibility for the Environment.

Effect of Functions on Members of the Public:

The Environmental Management Act, Chap. 35:05 mandates the EMA to: -

- Implement government policies;
- Undertake programmes for the effective management and wise use of the environment;
- Co-ordinate environmental management functions performed by persons in Trinidad and Tobago;
- Promote education and awareness;
- Develop and establish national environmental standards and criteria;
- Undertake monitoring and inspection activities;
- Prevent and control pollution;
- Promote conservation;
- Establish and co-ordinate local, regional and international institutional linkages; and
- Facilitate co-operation among people as well as manage the environment in a manner which fosters public participation and promotes consensus.

The work of the EMA, therefore, impacts every sector and citizen of the country. The EMA solicits feedback from citizens through requests for public comments, public consultations, committees and advisory bodies. Each citizen has an opportunity to be involved in the formulation of policy, standards and other criteria affecting the environment through attendance at public consultations, and responses to requests for public comments on various draft legislation, policies and development projects. Citizens may also lodge complaints or report violations.
