**NOTICE TO THE PUBLIC**

The Pharmacy Board of Trinidad and Tobago hereby advises members of the public that the Register of Pharmacies, Registered Pharmacists, and Registered Pharmaceutical Students as at 20<sup>th</sup> February 2026 is now published and available for review.

This publication is made in accordance with the Board's statutory mandate to maintain and make available an accurate and up-to-date register of all duly registered and licensed persons and premises authorized to practise pharmacy in Trinidad and Tobago.

Members of the public are encouraged to consult the Register to verify the registration status of any pharmacy, pharmacist, or pharmaceutical student. Any discrepancies or queries may be brought to the attention of the Board in writing.

The Pharmacy Board remains committed to transparency, accountability, and the protection of public health.

Yours Sincerely,

Mr. Sanjay Mohammed

**GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO**  
**UPDATED PUBLIC STATEMENT 2026 OF**  
**THE CARIBBEAN INDUSTRIAL RESEARCH INSTITUTE (CARIRI)**

**IN COMPLIANCE WITH SECTIONS 7, 8 AND 9 OF**  
**THE FREEDOM OF INFORMATION ACT, 1999**

In accordance with Sections 7, 8 and 9 of the Freedom of Information Act Chapter 22:02 of 1999 ( hereinafter referred to as The Act), the Caribbean Industrial Research Institute (CARIRI), is required by law to publish the following statements, which list the documents and information generally available to the public.

**STATEMENTS: Section 7 (1) (a) (i)**

**THE FUNCTIONS AND STRUCTURE OF THE CARIBBEAN INDUSTRIAL RESEARCH INSTITUTE**

The Caribbean Industrial Research Institute (CARIRI) was established by an Act of Parliament by the Government of Trinidad and Tobago in 1970 with assistance from the United Nations Development Programme (UNDP) and the United Nations Industrial Development Organization (UNIDO). The Institute is wholly owned by the Government of Trinidad and Tobago and provides technological and business support services to private and public sector organizations locally and regionally.

The Institute's mission is:

*"To advance the economic and social development of Trinidad and Tobago and other countries in the Caribbean Region by providing technical and technological support, creating and transferring technology to the producers of goods and services and maintaining a positive work environment that encourages employee commitment to the financial viability and success of the organization."*

The Institute's major functions include:

- Provision of technical support services to public and private industrial enterprises;
- Collection and dissemination of technical information;
- Undertaking analytical work;
- Provision of materials testing services;
- Provision of engineering services, including assistance with establishing production lines, prototype designs, and maintenance and repair problems;
- Undertaking economic and technical feasibility studies, including marketing surveys, with a view to identifying bankable projects;
- Providing environmental monitoring services inclusive of testing and consultancy,
- Provision of business support and advisory services to new and existing businesses,

- Engaging in research programmes related to the needs of Trinidad and Tobago and the Caribbean region.
- Promoting innovation and entrepreneurship.

The Board of Management is appointed by the President of the Republic of Trinidad and Tobago and controls the overall direction of the Institute. CARIRI employs a workforce of approximately one hundred and seventy (170).

**OPERATIONAL DEPARTMENTS**

The Caribbean Industrial Research Institute operates from three (3) locations - UWI Campus, St. Augustine, Trincity West Industrial Estate, Macoya and Innovation Drive, Freeport.

The key focus areas are:

- Food Technology
- Analytical Chemistry
- Food and General Microbiology
- Environmental Microbiology
- Petroleum and Sustainable Energy Services
- Effluent Management Services
- Calibration & Maintenance Services
- Industrial Materials
- Metallurgy
- Indoor Air Quality
- Air Quality Management Services
- Information and Communication Technology
- Business Advisory and Support
- Innovation and Entrepreneurship

CARIRI is comprised of the following Divisions as shown in the Organizational Chart

- Corporate Services
- Research Development and Innovation
- Analytical and Engineering Services

**ANALYTICAL CHEMISTRY**

This Laboratory provides a wide range of testing and consultancy services:

**Analytical Chemistry**

Literature available by subscription: **Section 7 (1) (a) (iv)**

*At the present time this section is not applicable.*

**Procedure to be followed when accessing a document from the Caribbean Industrial Research Institute: Section 7 (1) (a) (v):**

Applicants may request information via telephone, e-mail or in person. However, **the request must be made in writing** on the official form *Request for Access to Official Documents*, for information not available in the public domain. FOI Request Form can be sourced at [www.foia.gov.tt](http://www.foia.gov.tt)

**Requests must be addressed to the Designated Officer of CARIRI: Section 7 (1) (a) (vi)**

The request must be accompanied by enough detail to facilitate locating the relevant document/s as efficiently as possible. In keeping with the provisions of The Act, the Designated Officer would render any assistance necessary in order to formulate the request.

If the requested documents are not those held by CARIRI, the applicant is advised to direct the request to the relevant authority.

The timeframe for delivery of a document, if it exists or can be found, is established under The Act. If CARIRI fails to meet these deadlines, the applicant has the right to proceed as if the request had been denied. CARIRI will diligently try to comply with the time limits, but if it appears that processing a request may take longer than the statutory limit, an applicant's request will be acknowledged and the applicant will be advised of its status. Since there is a possibility that requests may be incorrectly addressed or misrouted, an applicant may wish to call or write to confirm that the request has been received and to ascertain its status.

CARIRI will determine whether to grant your request for access to information and notify you of the decision as soon as practicable, but no later than 30 days after the day on

which the request is duly made, as required by Section 15 of The Act.

**Payment of Fees**

The applicant will be given access to the documents within seven (7) working days upon payment of the relevant fee. A refund of fees paid will be issued if CARIRI fails to provide the information within the given timeframe.
