### Trinidad and Tobago Securities and Exchange Commission

#### LIST OF REGISTRANTS AS AT 31<sup>ST</sup> MARCH 2026

**The Trinidad and Tobago Securities and Exchange Commission (“the Commission”) is responsible for the oversight of the securities industry ensuring that it operates in a fair, transparent and efficient manner in order to protect the rights of investors.**

The Commission regulates the securities market by registering all securities that are distributed to the public, all issuers of those securities, and market intermediaries directly involved in the issuance, offering and sale of those securities e.g., **Broker-Dealers, Investment Advisers, Underwriters, and Self-Regulatory Organisations**. Certain employees or officers of Broker-Dealers, Investment Advisers and Underwriters are also required to be registered with the Commission as Registered Representatives.

Further, the Commission authorises Responsible Persons and Custodians which are entities involved in the governance and oversight of Collective Investment Schemes, as well as the safekeeping of their assets.

#### **HOW DOES REGISTERING WITH THE COMMISSION PROTECT INVESTORS?**

The registration process requires all registrants (issuers of securities as well as market intermediaries such as **Broker-Dealers, Investment Advisers, and Underwriters**) to provide the Commission with information regarding their operations, management and financial position, as well as the securities they have issued or intend to distribute. **The Commission ensures that the information meets the requirements of the law and is available to the public.**

Firms and individuals are registered by category – each registration category attracts different educational, experience, and financial requirements, and permits the registrant to conduct different activities. **The Commission ensures that the companies are genuine entities with a registered office, staffed by qualified professionals who possess the knowledge, skills and experience to conduct the class of business for which the companies are being registered.**

**HOW DOES AUTHORISATION OF RESPONSIBLE PERSONS AND CUSTODIANS WITH THE COMMISSION PROTECT INVESTORS?**

The authorisation process requires all Responsible Persons and Custodians to provide the Commission with information regarding their operations, management and financial position. **The Commission ensures that the information meets the requirements of the law and is available to the public.**

**The Commission ensures that the entities are fit and proper and meet the eligibility requirements such as being appropriately incorporated or licensed financial institutions with adequate capital, qualified personnel and appropriate systems.**

**WHAT ARE THE QUALIFICATIONS FOR REGISTRATION OR AUTHORISATION?**

Registration will not be granted unless the Commission is satisfied that an applicant is fit and proper, meets the requirement of the law with respect to capital and educational qualifications, and discloses any information that may affect the conduct and integrity of the applicant's business. This information is also available for public viewing at the Commission.

**The provision of information does not end after the initial registration or authorisation. Registrants are required to continuously provide the Commission, as well as investors, with information inclusive of changes which may positively or negatively impact the performance of their business and the securities available to investors.**

**IS REGISTRATION AN ENDORSEMENT?**

While we advise investors to deal only with registrants that are registered with the Commission, **registration with the Commission is NOT an endorsement of the registrant or of any security. The Commission provides neither guarantee nor opinion on the performance of a registrant or security.**

Always remember, **even though you are dealing with someone who is registered with the Commission, you should evaluate the registrant and the securities being offered and if necessary, seek independent financial advice before making an investment decision.**
